

First, let me thank you for allowing me the opportunity to share some information regarding the **Pure & Secure Water USA's** (PSWU) line of water purification products.

Every day more and more innovative people from all around the world are exploring the importance of improving the quality of life and protecting their family through the quality and purity of distilled water ... we hope you will join them

Pure & Secure Water USA represents the **Pure Water Brand** of water purification products. Pure Water Brand has its headquarters in the United States; and is now in their 40th year of operations. Pure Water Brand is recognized worldwide as a pioneer and leader in the design and manufacture of the highest quality residential and commercial drinking water purification systems.

Pure Water Brand has sold hundreds of thousands of units across the United States, Canada, and in more than 120 countries around the world. Their customers include Exxon Mobil, Shell Oil, and US Embassies, Medical Labs, Hospital, Contact Lens factories all across Europe, Africa, the Middle East & Gulf, as well as Latin America. Also included are thousands of doctors and nutritionists, who own, sell, or promote Pure Water Brand distillers in their books or to their patients. The Pure Water Brand is a highly respected name in the water industry.

Pure Water Brand equipment purifies water based on the distillation process. Even without pre-treating of the water, distillation can be used with virtually any water supply, regardless of the quality. Distillation is highly effective against a wide range of biological, inorganic and organic contaminants.

Pure Water Brand equipment is constructed, designed and manufactured in the United States. Pure Water Brand equipment is constructed of high-quality stainless steel for years of durable, trouble-free use. Pure Water Brand stands behind the quality of their systems with an exclusive warranty program, which is unmatched in the water purification industry.

Pure & Secure Water USA believes in after the sale service. We truly believe that our philosophy of customer support and service will win us our place in the Nigerian market. Try us ... you have my promise that you will enjoy our products; and never be disappointed.

I can always be contacted at md@pswung.com

Please, carefully review the information in our website. I am certain that you will be convinced that PSWU is the right company to purchase the water purification products that will guarantee your family the pure and secure water that they deserve ... today ... and for many years in the future.

You will never regret your decision to do business with us

Sincerely,

James MILLER
Managing Director
